Location of Properties by Geographical Area

# Choosing your Geographical Areas of Preference

We have provided you with a list of properties that became empty and available for letting in the Rhondda Cynon Taff and Merthyr Tydfil areas in 2007. The empty properties have been categorised by geographical area, site, size and property type. This will help you make an informed choice when choosing which area you would like to live. If for example you wish to live in an area where there were no vacancies last year you are likely to be waiting years before you will be re-housed in that area.

Before choosing your area of preference please note that Hafod Housing Association operates waiting lists by geographical area, property type and size according to need and not by individual sites. If you would like to live in a particular geographical area such as Tonyrefail unfortunately you will not be able to limit your

choice to one particular site such as Ty Dawel. If you are accepted onto the waiting list you may be offered a property of the size and type suitable to your needs anywhere within the geographical area of the waiting lists. However, where it is possible we will try to take into account individual preferences. Where we have grouped some geographical locations together for ease of waiting list management you may specify your geographical preference.

We operate waiting lists for the following areas;

## Rhondda Cynon Taff

- Brynna
- Church Village
- Glyncoch
- Llanharan
- Llanharry
- Llantrisant
- Rhydyfelin
- Taff's Well
