Properties Let in the Bridgend Area 2007

Hafod Housing Association West Area

Location of Properties by Geographical Area

Choosing your Geographical Areas of Preference

We have provided you with a list of properties that became empty and available for letting in the Bridgend area in 2007. The properties have been categorised by geographical area, site, size and property type. This will help you make an informed choice when choosing which area you would like to live. If for example you wish to live in an area where there were no vacancies last year you are likely to be waiting a number of years before you will be re-housed. To increase your chances of being rehoused you may wish to choose an additional area where properties are more frequently available.

Before choosing your area of preference please note that Hafod Housing Association operates waiting lists by geographical area, property type and size according to need and not by individual sites. If you would like to live in a particular geographical area such as Bridgend unfortunately you will not be able to limit your choice to one particular site such as Maes Llysteg in Broadlands, Bridgend. If you are accepted onto the waiting list you may be offered a property of the size and type suitable to your needs anywhere within the geographical area of the waiting lists. We will however, try to take into account individual preferences. Where we have grouped some geographical locations together for ease of waiting list management you may specify your geographical preference.

Within Bridgend County we operate waiting lists for the following areas;

- Bridgend
- Brynmenyn
- Caerau / Nantyyffyllon (can specify geographical preference)
- Kenfig Hill
- Maesteg
- Nantyyffyllon / Caerau (can specify geographical preference)
- North Cornelly
- Sarn
